**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet is a utility and needs to be regulated as such, ensuring that prices do not rise beyond reasonable rates. Disrupting this regulation puts underserved communities and people of color at risk of being disconnected, effecting critical forms of communication. Do not do harm to these communities.
